## What is IDA

Indian Dental Association (IDA) is an authoritative, independent and recognized voice of dental professionals in India.

## What IDA does

IDA endeavors to meet the public needs and expectations thereby leading the nation to optimal oral health via the following initiatives

**National Oral Health Programme (NOHP)** promotes oral health of the nation via oral health check-ups using different cards.

**Tobacco Intervention Initiative (TII)** advises for tobacco cessation via nicotine replacement therapy (NRT) for behaviour modification.

**Oral Cancer Foundation (OCF)** strives for a 'cancer free- India' via a broad alliance of key influencers and policy makers.

**Child Dental Foundation (CDF)** aims to inculcate good oral habits right from childhood by diet counselling and correct oral care habits.

**Emergency Dental Centres (EDC)** provides emergency oral health care 24x7 which occurs when routine dental care is not available.

**National Oral Cancer Registry (NOCR)** an exclusive online registry to collect data on oral cancer, tumours and pre-cancerous lesions.

**Indian Dental Research Foundation (IDRF)** provides scientific information and resources to enhance learning.

**Healing Smiles Foundation (HSF)** helps children & adults with cleft lip, cleft palate, and craniofacial anomalies to optimize the quality of life.

**IDA Member Health Centre** provides free medical check-up to all our member dentists for timely assessment of basic health parameters.

**YOU can access information when you need it, anytime and anywhere.**

**Connecting You**  
IDA's Publications and website keeps you informed with resources.

**Creating Relationships**
